

St Teresa's RaiseRight/Scrip Program

Did you know your next grocery bill, gas tank fill-up, restaurant check, coffee run, and online purchase can help you pay for your 2026-27 St. Teresa's tuition?

- 60% of the rebates earned by school families come back as a credit toward your tuition next year!
- The remaining 40% goes to the THRIVE Initiative, to help keep tuition affordable for all families!
- Grandparents and other family can choose to have their rebates credit toward your tuition!
- Whether you're at home or on the go, RaiseRight gives you the flexibility to earn with eGift cards, reloadable cards, and a mobile app. Earn anytime, anywhere.

Over \$12,000 in rebates were earned last year!

The biggest earners are consistently families with an account set up for online ordering, either with the RaiseRight app or through RaiseRight.com.

Once enrolled, you can add a bank account for easy payment and immediate e-giftcard use, or continue to pay by check or cash, by clicking the option to pay your coordinator directly at checkout.

Orders are filled daily during the school year and can be sent home with your student or held in the office for pick up (see the bulletin for summer Scrip). Cards listed on the Scrip order form on the back of this flyer are generally available for pickup the day after your order is placed. Hundreds more vendors and card denominations are available online - orders placed by Sunday night are typically available by the following Friday, so please leave time for shipping or use electronic giftcards for quicker needs.
