

St. Paula: Patron of Widows

St. Paula Outreach

St. Paula's Outreach is a newly created group for women of St. Teresa Parish whose husbands have died. At a time/date determined by each group (6-8 in number) members gather monthly in a confidential setting to share about their lives and the impact the death of their spouse has made. The group is unique in that Christ is the center.

Prayer of Widows

Lord, help me to cope with my loss by relying on You even more than before. Teach me to adapt to the new conditions of my life and to continue doing Your will. Enable me to avoid withdrawing from life and make me give myself to others more readily, so that I may continue to live in Your grace and to do the task that You have laid out for me.

Amen
