

DECLINE TO SIGN THE "ABORTION RIGHTS" PETITION!

DO YOU WANT ABORTION ON DEMAND,
UP TO BIRTH, IN NEBRASKA?

Amending the constitution means voiding current law, and preventing voters' voices from being heard in the future.

Invalidates all existing pro-life laws in Nebraska.
No 12-week restriction, no informed consent, no waiting period, no ultrasound, no abortion pill reversal notification.

Minor children included, with no parental notification.

Object Statement:

The object of this petition is to amend the Nebraska Constitution to provide all persons the fundamental right to abortion without interference from the state or its political subdivisions until fetal viability, which is the point in pregnancy when, in the professional judgment of the patient's health care practitioner, there is a significant likelihood of the fetus' sustained survival outside the uterus without the application of extraordinary medical measures; or when needed to protect the life or health of the pregnant patient.

such as NICU care, commonly used in every hospital.

i.e. the abortionist, who isn't a resident of Nebraska, and leaves town after the abortion, leaving women at risk.

Vague, catch-all phrase.
Broadly interpreted to mean virtually any reason (economic, mental, or physical) all the way up to birth—
thus negating even the 'viability' standard.
