SCAN HERE

This transformative program enables students from lower-income families, students with special needs, students who experience bullying, students from military families, students in foster care, and students who are denied option enrollment by public schools to access scholarships to attend the private school of their choice.

Scholarship applications will be available by mid-February. Be sure to sign up with your contact information on OSN's website so you will be among the first to know when scholarship applications are available.

If you have any questions, please email info@nebraskaopportunity.org.

Scholarships are funded through tax credit contributions by Nebraska taxpayers. Taxpayers can give to OSN and claim a dollar-for-dollar tax credit up to 50% (or \$100,000) of their state income tax liability. OSN then uses those taxpayer contributions to empower vulnerable Nebraska families with educational freedom.

"GIVE KIDS HOPE. TAKE THE CREDIT."

Nebraska taxpayers can now claim a **1:1 state income tax credit** for contributions to fund scholarships for Nebraska kids, especially those from lower-income families, to attend a private school of their parent's choice.

Who can participate?

Individuals, businesses, estates and trusts with state income tax liability.

Why should I participate?

You can help provide tuition assistance for Nebraska families in need and receive a dollar-for-dollar tax credit, up to \$100k (\$1m for estates and trusts) or 50% of your state income tax liability.

How do I contribute?
