

St Vincent de Paul St. Teresa's Conference

Family assistance around Lincoln!

Recently, the St. Teresa's conference visited a single mother who was on maternity leave with no income until she was able to return to work. There was prior domestic abuse and the child's father is incarcerated. This mom receives some state assistance and food stamps. Additionally, she has no vehicle and relies on public transportation.

The St. Teresa's Conference assisted our neighbor through this time of need and paid her outstanding rent and the balance on her electric bill.

Thank you everyone who directly and indirectly support and worked together to make sure that the people who are in emergency situations needs are met.

Little known facts about our patron, St. Vincent de Paul!

He entered the priesthood to retire and live comfortably.

He was kidnapped and sold as a slave for two years.

He was accused of theft by his roommate. The real thief confessed years later.

The confession of a dying man changed his life.

He was a man with a temper and working with the poor softened his heart and he became a kind and tender man.

His body is incorrupt.

He was not the founder of The St. Vincent de Paul Society. The society was founded by Blessed Frederic Ozanam in 1883 in his honor.

The St. Teresa's conference assisted 22 families in Q3 and is projecting to provide aid for over 54 individuals/households during 2024. Please pray for our conference and all those in need of assistance.

*"Carry each other's burdens and so you will fulfill the law of Christ."
Galatians 6:2*
